A small group session allowing learners to complete case-study-based scenarios to consolidate what they have learned through real-world application.

Participation in co-development group with 1 session per month for 1 year

Prerequisites

SAFe® Practice Consultant (SPC) 6.0 certified

This learning path is ideal for experienced professionals who already have foundational knowledge and SAFe certifications and are actively engaged in driving agile transformations at the enterprise level.

Specifically, this training is best suited for:

- ✓ Certified SAFe Practice Consultants (SPC)
- ✓ Enterprise Agile Coaches and Transformation Leads
- ✓ Change Agents and Leaders Driving Agile Practices
- ✓ Lean Portfolio Managers (LPM)

Certification

- ✓ Exam format : Multiple choice questionnaire (MCQ)
- ✓ Method: Via browser
- ✓ Duration: 1 hour (60 min.)
- ✓ Number of questions : 30
- ✓ Score to get : 23/30 (75%)
- ✓ Language: Exam in English.

At the end of the training, candidates will receive a link to the SAFe Studio platform and will be able to take the exam. The first test is included in the training within 60 days. Each new test will then cost \$50, payable directly on the SAFe Studio platform. Following successful completion of the exam, the candidate receives their certification which is valid for 1 year. This must be renewed annually and costs \$995/year.

More information on the Scaled Agile website : [Exam study guide Advanced SAFe Practice Consultant](#)

At the end of the exam, you receive your results immediately.
